Gemini

The **Gemini** range of pendant lights and ceiling lights for interiors combines comfort and character in a distinctive design.

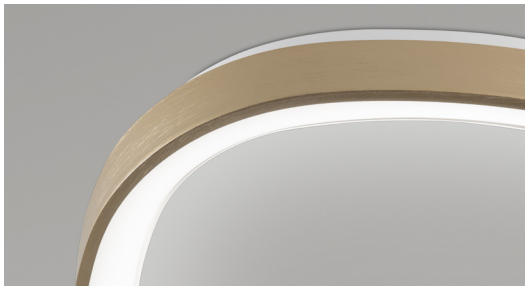

A rounded triangle that stands out from the classic circular ring, available in **simple yet modern finishes** of white, black and brushed brass.

White

Black

Brass

**Gemini** provides a uniform edge of light thanks to its opal polycarbonate diffuser, which creates a **wide, comfortable glow**.

**Gemini** is suitable for residential settings, commercial and hospitality spaces, and is ideal for tables, meeting areas, waiting areas, living areas, bedrooms and informal workspaces.

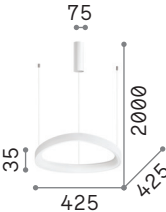

**LED**

Integrated **LED technology**  
(3000 K, CRI  $\geq$  90 SDCM  $\leq$  3,  
lifetime 50.000 h).

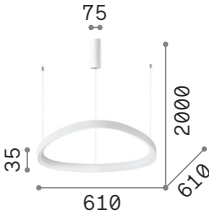

**Also available with DALI/Push dimming:**  
for controlling brightness in various domestic  
settings or for integration into more advanced  
projects (commercial, smart home).
