

ideal lux®

Rudy

**Rudy** is a range of wall and ceiling lights with spotlights, designed to bring **flexibility** and **practicality** to residential interiors.

Each **individually adjustable element**, whether round or square, ensures complete freedom of direction, so that the light **can be adapted to the surroundings.**

**The range caters to a variety of needs:**

from a single light fitting to highlight a detail,  
to multi-light versions with up to four lights, providing  
broad, functional and always cost-effective lighting.

**Rudy** is ideal for hallways, walk-in wardrobes, wall units, hallways and functional areas of the home, where you need focused, adjustable lighting that's always 'on point'.
